

Name of Conference	Location	*Conf. Start*	Conf. End	Submit Date	Description
AAHSA Annual Meeting & Exposition (American Association of Homes and Services for the Aging)	San Francisco, CA	11/5/06	11/8/06	n/a	http://www.aahsa.org/am2006
CIMIT	Boston, MA	11/6/06	11/7/06	n/a	Future of healthcare and technology: Trends and innovations that will transform patient care
AMIA	Washington, DC	11/11/06	11/15/06	n/a	AMIA 2006 is the best place to be to learn about the technology that will bring us the next generation of information systems in health care and biomedicine.
Gerontological Society of America	Dallas, Texas	11/16/06	11/20/06	n/a	Education & The Gerontological Imagination!
The International Joint Conferences on Computer, Information and Systems Sciences and Engineering (CISSE 05)	Online	12/4/06	12/14/06	n/a	CIS2E 06 provides a virtual forum for presentation and discussion of the state-of-the-art research on computers, information and systems sciences and engineering.
IEEE Workshop on Spoken Language Technology	Palm Beach, Aruba	12/10/06	12/13/06	n/a	The SLT workshop aims to bring the speech processing and natural language processing communities together to share and present recent research and advances in the area of spoken language technology.
TCAPET The Consumer & Patient Enabling Tech Conf	Washington, DC	12/11/06	12/13/06		The TCAPET will address how innovators are leveraging technology to facilitate measurable improvements that enhance and enable consumer / patient health.
Assistive Technology Industry Association	Orlando, Florida	1/24/07	1/27/07		Segments of the Assistive Technology industry (Augmentative and Alternative Communication: Blindness; Computer Access; Curriculum Adaptations; Deaf and Hard of Hearing; Electronic Aids to Daily Living; Games and Recreation; Learning Disabilities/ Study Aids/Literacy; Low Vision; and Mechanical Accessories and Mounting Devices) will be represented in various presentations, demonstrations and/ or exhibits.
International Neuropsychology Society	Portland, OR	2/7/07	2/10/07	n/a	"Neuropsychological Rehabilitation: Theory, Therapy and Outcomes"
Bilingual Pan American Health Care Engineering Conference	Los Angeles, CA	2/12/07	2/16/07	10/27/07	Scope: An independent forum for emerging medical technologies and innovations in procedures and techniques, equipment and appliances, which brings health care industries together with medical personnel, engineering and technical professionals, and those engaged in medical information technologies in the academia, hospital and clinical settings, and related sectors.
Association for Gerontology in Higher Education	Portland, OR	3/1/07	3/4/07	n/a	As the only national membership organization devoted primarily to gerontological education, the Association for Gerontology in Higher Education (AGHE) is in a unique position to develop and sponsor education and training initiatives and to involve students, educators, researchers, and officials from across the country in providing resources for older adults and for those who serve them.
California State University-Northridge / Technology and Persons with Disabilities Conference	Los Angeles, Ca	3/19/07	3/24/07	n/a	http://www.csun.edu/cod/conf/index.htm
AAHSA Future of Aging Services Conference (American Association of Homes and Services for the Aging)	Washington, DC	3/19/07	3/21/07	11/20/06	http://www.aahsa.org/ - More than 1,000 AAHSA members came to Washington, DC, April 3-5, 2006, to imagine the future of aging services and tell policymakers how they can promote quality. Education sessions focused on how members can implement AAHSA's Five Big Ideas helped attendees understand how developments in policy, research and technology can help them transform aging services.

American Academy of Neurology	Boston, MA	4/28/07	5/5/07	11/1/06	http://am.aan.com/index.cfm?a=0&fc=1 - Future of Neuroscience Conference: Therapy of Genetic Disorders, A riveting exploration of the latest studies, clinical applications, and ethical ramifications of stem cell research, led by a faculty of distinguished experts; Integrated Neuroscience , Six sessions that offer an expansive look at the muscular dystrophy, ataxias, small fiber neuropathy, functional imaging, advances in stroke, and Frontotemporal Dementia
American Geriatrics Society Annual Scientific Meeting	Seattle, WA	5/2/07	5/6/07	??	http://www.americangeriatrics.org/news/meeting/future_meetings.shtml
ICASSP 2007	Hawaii	5/16/07	5/20/07	n/a	Acoustics, Speech, and Signal Processing http://www.icassp2007.org/
Pennsylvania Homecare Association Annual Conference	Pittsburgh, PA	5/30/07	6/1/07	TBA	TBA / http://www.pahomecare.org/education/conferences.asp
Rehabilitation Engineering Society of North America	Phoenix, AZ	6/15/07	6/19/07	1/5/07	RESNA 2007 will feature assistive technology's leading researchers, renowned clinicians and policy experts creating a conference program with unmatched levels of knowledge and expertise. http://www.resna.org/
The 2nd International Conference on Technology and Aging	Toronto, Ontario, Canada	6/16/07	6/19/07	on mailing list	This conference will provide researchers, designers, policy makers and consumers the opportunity to present and learn about new and innovative technologies being developed to help older adults participate fully in their daily lives. Some topics of interest will include the design and use of assistive technology, smart homes and intelligent systems, technology for caregiving, impact and outcomes of technology on quality of life, policy and legislative issues, as well as topics related to safety and performance standards for new technologies. http://www.ficdat.ca/en/conference2.php
AHSA 7th International Conference	St. Julian's Malta	6/18/07	6/20/07	n/a	IAHSA especially invites proposals highlighting trends, issues, and leading approaches in: service delivery and management, program development, public policy, ageing services research and business trends http://iahsa.net/index.cfm
Cognitive Aging Conference	Adelaide, South Australia	7/12/07	7/15/07	12/1/06	http://www.cos.gatech.edu/cac/cac_du.htm
International Conference on Human-Computer Interaction	Beijing, China	7/22/07	7/27/07	10/30/06	Focus Areas: Human Computer interaction, Human Interface and the Management of Information, Universal Access in Human Computer interaction, Ergonomics and Health aspects of Work with Computers, Engineering Psychology and Cognitive Ergonomics, Virtual Reality, Usability and Internationalization, Online Communities and Social Computing, Augmented Cognition and Digital Human Modeling www.hcii2007.org
29th Annual International Conference of the IEEE engineering in Medicine and Biology Society	Lyon, France	8/23/07	8/26/06	4/2/07	http://embs.gsbme.unsw.edu.au/ColdFusion/viewco.cfm?conftype=1
INTERSPEECH 2007 — Eurospeech	Antwerp	8/27/07	8/31/07	3/23/07	Speech Processing of all kinds: http://www.interspeech2007.org/
UbiComp 2007	Innsbruck Austria	9/16/07	9/19/07	??	The annual Ubiquitous Computing conference series provides the premier forum in which to present research results in all areas relating to the design, implementation, application and evaluation of ubiquitous computing technologies, bringing together leading researchers from a variety of disciplines and geographical areas who are exploring the frontiers of computing as it moves beyond the desktop and becomes increasingly interwoven into the fabrics of our lives. http://www.ubicomp2007.org/index.php
American Geriatrics Society Annual Scientific Meeting	Washington, DC	4/30/08	5/4/08	??	http://www.americangeriatrics.org/news/meeting/future_meetings.shtml
The 11th International Conference on Alzheimer's Disease and Related Disorders	Chicago, IL	7/26/08	7/31/08	???	http://www.alz.org/icad/overview.asp
